

Single-use menus

Customers will decide when it feels safe to dine in your restaurants. Providing single-use menus may be one way to earn their trust and show you care.

- One menu for each customer
- Use for dine-in, take-out and delivery
- Can be inserted in tabletop displays and sign holders
- Large quantities at budget-friendly prices

What you get

Single-use menus are:

- Letter size
- White paper
- Double-sided
- White border (no bleed)
- Shrinkwrapped in packs of 250
